

# Rolling in the deep

(Adele - version musique EST partage)

(Adele Adkins, Paul Epworth)

Intro

2 bars

Verse 1

There's a fire starting in my heart  
Reaching a fever pitch, and it's bringing me out the dark  
Finally I can see you crystal clear  
Go ahead and sell me out and I'll lay your ship bare

See how I'll leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch and it's bringing me out the dark

Pre-Chorus

*The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love they leave me breathless  
I can't help feeling*

Chorus

**We could've had it all (you're gonna wish you)  
(never had met me)  
Rolling in the deep (tears are gonna fall)  
(rolling in the deep)  
You had my heart inside (you're gonna wish you)  
Of your hand (never had met me)  
And you played it (tears are gonna fall)  
To the beat (rolling in the deep)**

Verse 2

Baby, I have no story to be told  
But I've heard one on you, and I'm gonna make your head burn  
Think of me in the depths of your despair  
Make a home down there, cause mine sure won't be shared

Pre-Chorus

*(you're gonna wish you) The scars of your love  
(never had met me) Remind me of us  
(tears are gonna fall) They keep me thinking  
(rolling in the deep) That we almost had it all  
(you're gonna wish you) The scars of your love  
(never had met me) They leave me breathless  
(tears are gonna fall) I can't help feeling  
(rolling in the deep)*
